

LEO DISTRICT COUNCIL 306 D2
LIONS CLUBS INTERNATIONAL DISTRICT 306A2, SRI LANKA
FISCAL YEAR 2025-2026

Leo Eruk Dabare – Zone Director | Zone B1

It is with great pleasure that we reflect on the inspiring Leo journey of Leo Eruk Dabare, a proud member of the Leo Club of Godigamuwa, who began his journey in the Leoistic Year 2020/2021. From the very beginning, Leo Eruk displayed remarkable passion and dedication to Leoism, which enabled him to steadily rise through the ranks and take on many key leadership roles.

In 2021/2022, he was appointed Club Director – Leo-Lion Relationship, a role he continued to hold in 2022/2023. His reappointment clearly reflected the trust placed in his ability and consistency. Moving forward, in 2023/2024, he took on the role of Vice President of the club, showcasing not just his leadership capabilities but also his commitment to uplifting his fellow members. Most recently, in the Leoistic Year 2024/2025, he ascended to the role of Club President, leading the club under the theme “United by Dreams, Driven by Passion.” Throughout his time with the club, Leo Eruk has actively contributed to and led numerous impactful projects. Under his leadership, the Leo Club of Godigamuwa has grown in both unity and effectiveness.

One of his notable recognitions came at the A2CON’25 Annual District Conference, where he was honored as the Most Disciplined Leo – 1st Runner-Up in Leo District 306 A2. In addition to this award, he served as the Advisor of the Conference Night Committee at A2CON’25, and also co-chaired Project Jeewana Yathra’13, held in Polpithigama during the same year.

Outside of Leoism, Leo Eruk has maintained a strong track record of academic and extracurricular excellence. He is a proud alumnus of Royal College, Colombo 7, where he held multiple leadership roles such as Assistant Treasurer – Astronomical Club (2021), Chief Organizer – Buddhist Brotherhood and Oriental Music Clubs (2021), and Vice-Captain – School Karate Team (2019)

Currently, he is pursuing a BSc. (Hons) in Computer Science at the University of Greenwich, while also serving as the Vice President of the Robotics Club at the university.

Conclusion

Leo Eruk Dabare’s journey is a true testament to what dedication, humility, and consistent leadership can achieve. He continues to be a role model for many young Leos, and his contributions to the Leo movement are both meaningful and lasting.

Now, I warmly invite the District Secretary of Leo District 306 D2, Leo Eruk Dabare, to address the gathering.
