

LEO DISTRICT COUNCIL 306 D2
LIONS CLUBS INTERNATIONAL DISTRICT 306D2, SRI LANKA
FISCAL YEAR 2025-2026
Leo Prabhash Liyanage – District IT Director

Leo Prabhash Pramodha began his Leo journey as a member of the Leo Club of the University of Moratuwa, where he took the lead in his very first project, the Mahesh Abeywickrama Memorial Debate Competition, titled Project Treasure. Completing this project earned him recognition within the club and helped him establish a strong presence among the Leos from the outset.

In the Leoistic Year 2023/2024, he served as the Activity Coordinator of the Leo Club of the University of Moratuwa. During this time, he provided leadership to over 50 successful projects, helping the club maintain an active presence both within the university and at the district level. His commitment and contribution were recognized with the President's Appreciation Awards at the Leo District Conference 2024.

The following year, in 2024/2025, he was appointed as the Chief Activity Coordinator of the Leo club of the University of Moratuwa. During his tenure, Leo Prabhash focused on improving project quality and bringing more creativity and structure to project execution. One of his most significant contributions was the development of "Leo Book", a management system designed specifically for the Leo Club of University of Moratuwa. This system helped improve time management, project tracking, and internal communication, and is considered one of the most impactful technical initiatives introduced to the club in recent years.

His leadership has not only driven successful projects but has also helped strengthen the connection between the university community and the Leo Movement. His work has consistently earned appreciation from district presidents and project recognition at conferences.

Prabhash is a proud past pupil of Sri Sumangala College, Wariyapola and Anamaduwa Central College, where he served as the Head Prefect and Prime Minister of the Student Parliament in 2017 showing leadership from a young age.

He is currently pursuing a BSc (Hons) in Information Technology at the Faculty of Information Technology, University of Moratuwa, and works as a Software Engineer at Hashbase (Pvt) Ltd. With a strong background in software development and systems architecture, he brings a unique blend of tech expertise and Leo experience to the table.

For the Leoistic Year 2025/2026, Leo Prabhash Pramodha serves as the District IT Director of Leo District 306 D2, where he is set to lead the district's digital initiatives and support its growth through technology and innovation.

(Now I cordially invite District IT Director of Leo District 306 D2, Leo Prabhash Pramodha, to address the gathering.)
